

## DAILY TOURS

Campus tours are offered Monday through Friday at 9:00 AM, 10:00 AM and 1:30 PM. Sit in on a class, stay overnight, meet a professor and learn all Kettering has to offer!

## DISCOVER KETTERING

Explore our labs and classrooms, and meet our faculty, staff and students. See our recreation center and visit our residence hall.

This Open House lasts from 10:00 AM - 3:00 PM and is offered twice a year!

## ABOUT KETTERING

Kettering University, in Flint, Michigan, is known for its top-ranked programs in engineering, math, science and business. Our students combine theory taught in the classroom with the experience gained in the workplace.

Kettering is home to:

- The most advanced co-op program in the nation.
- State-of-the-art programs that are consistently recognized as some of the best in the United States
- Twelve science, business and engineering degrees
- Seven graduate programs
